Evaluations

Q. 1. What was your experience here tonight?

- Getting together to share our opinions on furthering faith formation in our parishes in diocese.
- Very interesting, informative, thought provoking. (x7)
- Some positive, some negative.
- Positive and very positive. (x2)
- Good, open meeting.
- Fun and allowed us to vent, share our hopes & dreams for our parish community.
- Good to be aware of proposed changes that are forthcoming.
- Excellent experience.
- Good to see that people care.
- Good. Created more questions.
- Great.

Q. 2. Was this session worth your time?

- Yes. (x11)
- Yes, very much, if we can achieve what we came here for.
- Definitely.
- Very much so. It gave me the opportunity to collect my thoughts & ideas and then to attempt to
- form them into ideas.
- It was great!!

Q. 3. Do you have any suggestions on how to improve this session?

- Continuing our goal in the community. Keep doing this.
- It would have been nice to have some questions answered.
- Stay on time!
- Tabulation of results, place in Bulletin.
- Shorter time.
- Not really. It would have been more helpful if more of the parishioners had actually viewed the Bishop's Lenten series. Maybe we should have them available for parishioners to come & view them here at the church. (some might even come)
- It would be nice to hear what "the powers that be" have already decided.
- Not yet.
- Repeat in a few months prior to get-together with the rest of the churches.

- The session was held (sic) very well.
- No (x4)
