Old Business:

Naming Process: The naming announcement was well received in most churches, there were no negative comments.

Report on Individual Formative Experience

Some reading Rebuilt, it was felt each CLT should have a copy to loan out, it has much useful information. Laura was reading “Forming Intentional Disciples” also a good read for our mission.

“Formed” has been purchased by the Parish, Corpus Christi. We should be able to share it though it may be limited to amount of accounts, hopefully at least 10.

Pastoral Ministries and Evangelization: Andy filled out the Excel spread sheet as each church listed their ministries. There was much discussion on what should be included and where. This used up our allotted time and no other agenda items were addressed. Completed form will be sent out by Andy for each team member to review, as a whole, before the next meeting.

New Business: since the meeting had already run over time a few items from the agenda quickly were addressed:

Communication Outline – Was sent out by Andy by email and will be discussed at wrap-up.

Facilities Report :Neither Lynn nor Deacon Don had received the information from Tom or Dane. They would both look into it. Don will report on the findings next meeting. Mike Landry also offered to help collate this.

Community Life Team Formation: The suggestion that each CLT member complete the Clifton Strength Finders by the end of Sept. was mentioned. The fact that it can be done online and that the churches will reimburse each person was also noted. Judy also mentioned another tool, as suggested on U-Evangelise- *Your Spiritual Gifts*. Another tool, free to use, that helps to highlight personal strengths. She will forward the info to the team members.

Replacements for Tom and Dane: Lynn and Deacon Don are willing to step in for Tom and Dane, respectively, for the remaining meetings.

Andy mentioned that Discovery, a program that can follow ALPHA will be starting up in October at St Francis on Tues. evenings. More details to follow.

Next Meeting: Sat Sept. 21. Middleton 9-4 Bring a lunch- wrap-up
Sat. Sept 28- 9-12 Middleton- if needed.
