Q. 2. Was this session worth your time?

- Yes, I am not a parishioner of St. John's so it gave me an insight into what is going on here. Good hospitality and strong service (K. of C.), but little to do with evangelization or adult faith formation. Also, seems that many people are unaware that they will need to make these things happen in order to continue as a community of faith
- We'll see
- Yes (x10)
- Absolutely (x2)
- Good ideas. Good to know that so many of us care about our parish
- Of course. We need to try to solve this newest challenge (which has been in the wings for years)

- Very much so!
- Definitely ((x2)
- Fairly
- No

Q. 3. Do you have any suggestions on how to improve this session?

- Call a bad situation a bad situation---Church closures mean that someone failed.
- I felt we were too rushed. Also, I hope that the pastoral planning teams will have a chance to review the actual feedback (as opposed to putting it all in charts & tables first).
- No, it was perfect.
- Not really. I can't think of how it how it can be improved.
- Nope, I think it went great.
- Perhaps there were too many topics for a two-hour session.
- Coffee and treats were a great inclusion. Helped to keep up energy & optimism.
- No
- Questions/discussions should be more specific, not so large, or as unanswerable
- Very well organized.
- I really cannot comment because I didn't have a chance to attend the Lenten sessions
- Not at this time.
- Yes, make it longer. Two hours was hardly enough time.
- Explanation at Mass. (more details)
- Continue the conversation, encourage parishioners to stay informed.
